

Sister Nivedita Cultural Festival - Inter School

Academic performance alone does not ensure a successful career. Acquiring life skills and the development of personality is crucial for long term success in life – both professional and personal. Artistic and literary pursuits not only add to the faculty of the mind but also play a significant role in enhancing the Emotional Quotient of a student. **Sister Nivedita Cultural Festival** was an entertaining and enlightening Cultural Festival of contests for students from UKG to class 7, celebrating India's vibrant culture and tradition. **Nivedita Vidya Peetha of Sri Sarada Math Bengaluru** provided a platform for School Children to exhibit their unique innate talent by organizing an **Inter- School competition**. The event was held on **Saturday the 15th of July 2023** in the Math premises.

Rev. Chitprabhaprana Mataji, In-Charge of Nivedita Vidya Peetha, welcomed the gathering. Smt. Shanta Jayananda was the chief guest. She is a post graduate in Kannada & Sociology. She served as director of Chandana television channel for 10 years and was also directed short films based on women and children's problems. Now she is serving as lecturer at M.S. Ramaiya Management and Law College. She spoke about cultural festivals which help the student in personality development. Afterwards she distributed Trophies and Certificate of Merit for prize winners. Participation Certificates were given to all participants.

Prize receiver

The programme ended by singing 'National song'.

After the prize distribution programme, everyone had almond milk and biscuits.

A good number of devotees & friends of the Math and the Staff of Nivedita Vidya Peetha volunteered in making the cultural festival a grand success.
